I want to thank everyone who has helped me put together My ^{3rd} Great Grandparents, William Lowe and Jane Gore's family. Descendants from Jefferson, George, Hawley & Arabella Jane's had been a big help in this project.

We couldn't get any farther on William Lowe but do have the Gore line many more generations back to almost the beginning of when they came to US.

Fortunately we have info on all the children of William and Jane but can't find their deaths anywhere. Family story went they sold their land in Madison Co. Il in 1838 after buying it 1830 and William wanted to go to Texas and took his wife and believe the 2 small children, but she didn't like it there and came back and then we found the small children with their older siblings in Iowa. But have never found any thing of the deaths of the parents.

This has been an on going project since 1969 to 2016 and even at that there is much more that can be done but since I have hit my 80 year mark I am going to let the younger ones to finish out the generations if anyone would like to work on this family.

At least this will be a start for anyone that descends from this line if they so desire.

I have included a pedigree chart showing the line both back from me to William and Jane.

Picture of cemetery stone, church and cemetery. Also picture of Jesse "Frank" and both wives and his children when young and also when elderly. Do have a tintype and the one is of Jesse Francis taken at the same time as the one of Rebecca Munden as same chair and bookcase in the picture probably taken at their marriage as date was 1879. The other tintype that Velma Bushnell thought might be Hawley, rather doubt it is. Could be or could be from the Bushnell side of family. Hawley died in 1862.

Not located an obituary for Frank. But there was a picture of him when younger and a write up but not sure an obit from Find A Grave internet site.

"Frank Lowe was the son of Hawley and Rachel Mariah (Russell) Lowe. He was born at Greentop in Adair County, Missouri and spent his entire life in Adair County. On may 11, 1879 he married Rebecca Jane Munden. He and Rebecca had five children. She died in 1894 after an illness of several months at the age of 36. Frank then married Susan Adlina "Lina" (Salisbury)Talbert Rhodes in 1896. Frank and Lina had two children. Frank farmed and in later years he built a dance hall across from the store in Nind, MO and held squar dances there. Frank was in a wheel chair the latter part of his life because of arthritis, but that didn't slow him down much. It was said that he took the train to Kirksville and to Greentop to visit relatives by himself. Frank died of influenza at his home at the age of 69."

Daughter Maud Keim was the informant. She was living in Kirksville at the time. Parents were listed as Samuel Salsbury b. OH (was Salsbury) and Fannie A. Hargis b. Dingo Co. IN. Lina was 77 years old. Dee Riley Funeral home held the service conducted by Clyde O. Johnson, Pastor of Primitive Baptist Church. Obituary: Says she had 3 children by Frank Talbert, 2 deceased. I was given only names of 2 children. Died at her home 6 miles west of Yarrow and 1/2 miles North of Nind. She had been in failing health past 3 years. Pallbearers were Bill Lowe, James Campbell, Henry Cook, Carl Noel, Earl Cole and Bill Haines. She was a member of the Primitive Baptist Church. Find A Grave internet site listed info on Lina and also picture of her and cem stone as well as front gate of Union Temple Cem in Walnut Twp, Adair Co. Mo. Info written about her as well: "Lina was born March 8, 1864 in Greentop, Adair co. MO, the daughter of Samuel and Fannie (Hargis) Salsbury. She was married to Frank Talbert and had 2 daughters. She then married Mr Rhodes who was struck by lightning and killed about one month after the marriage. She married Frank Lowe on July 11, 1896 in Kirksville, Adair Co. Missouri. They were the parents of 2 children." 1870 should be with parents age 6 probably in Adair Co. MO Susanna A. 6 w/parents and siblings. 1880 Adair Co. MO Nineveh Twp. Adaline Salsbury age 16 Mo servant in the home of John Young and family. 1900 Have not located them. 1910 Adair Co. MO with husband and children and parents. CHILD 1 - Nellie "Bessie" Lowe Personal interview with their adopted daughter Bettie Purifoy 17 Nov 1986. She gave me the info on E.G. and Bessie, herself and her children. She took me to the cemetery which was just outside the town of Camden and I took pictures of their stone and the cemetery. I had a picture of Bessie when quite young and as a young girl and after they were married. Bettie was going to send me a picture of her in later life but never did. Went to the court house to get info on marriage but thought they were married in CA. Bettie didn't know when or where for sure. Sometime between 1920 & 1927 she guessed. Went to the Proctor Funeral Home and go the funeral home record on E.G. and ordered the death certificate for Bessie. His record gave no parents. Bettie said he was from Nagadoches, TX area. They were living at Rt 1 Box 297 71701 at time of Bessie's death. At time of his death he was living at Rte 1 Box 137. Both must have been Camden, AR. E.G. was in CA and called Bessie to come there and get married. (Date is not known) They were there for a while then to TX and back to Ark. 1946 he was working at the Amunitions Plant in Ark. 1945 they were living at Woden, TX, just outside Nacagdoches Co. TX. So believe they were back in AR by 1946 If his is true they would have been in Ar when they adopted their daughter Bettie Lee Matthews in 1937 when she was 8 yrs old. 1900 Bessie should be in home of parents at age 3 but haven't found parents. 1910 Bessie age 13 dau in home of parents in Adair Co. MO, Walnut Twp pg 2 22 Apr. Find A Grave internet site listed Ellis G. Runnels, complete birth and death dates and picture of stone with wife on it

Notes

HUSBAND - Ellis Galvina "E.G." Runnels

Personal interview with their adopted daughter Bettie Purifoy 17 Nov 1986. She gave me the info on E.G. and Bessie and herself and children. She took me to the cemetery which was just outside the town of Camden and I took pictures of their stone and the cemetery. I had a picture of Bessie when quite young and as a young girl and after they were married. Bettie was going to send me an older picture of her but never did.

Took pictures of Bettie and I when we visited there.

Went to the court house to get info on marriage but thought they were married in CA. Bettie didn't know when or where for sure. Sometime between 1920 and 1927 she guessed.

Went to the Proctor Funeral Home and got the funeral home record on E.G. and ordered the death certificate for Bessie. His record gave no parents. Bettie said he was from Nagadoches, TX area.

Bettie said E.G. was a cook and worked in many restaurant's. E.G. lived at Rte 1 Box 137 at the time of his death. Rt 1 Box 297 at the time of Bessie's death.

E.G. was in WW I. He was 94 yrs 5 Mo 29 days of age at death.

I checked Shelby Co. TX in 1880 and 1900 but did not locate any Runnels.

1900 Bessie should be in home of parents at age 3 but haven't found parents

1910 Adair Co. MO Walnut Twp. pg 4 22 Apr. Bessie age 13 Mo. dau in home of parents.

WIFE - Nellie "Bessie" Lowe

Personal intrview with their adopted daughter Bettie Purifoy 17 Nov 1986. She gave me the info on E.G. and Bessie, herself and her children. She took me to the cemetery which was just outside the town of Camden and I took pictures of their stone and the cemetery. I had a picture of Bessie when quite young and as a young girl and after they were married. Bettie was going to send me a picture of her in later life but never did.

Went to the court house to get info on marriage but thought they were married in CA. Bettie didn't know when or where for sure. Sometime between 1920 & 1927 she guessed.

Went to the Proctor Funeral hOme and go the funeral home record on E.G. and ordered the death certitfcate for Bessie. His record gave no parents. Bettie said he wasfrom Nagadoches, TX area.

They were living at Rt 1 Box 297 71701 at time of Bessie's death.

At time of his death he was living at Rte 1 Box 137. Both must have been Camden, AR.

E.G. was in CA and called Bessie to come there and get married. (Date is not known) They were there for a while then to TX and backto Ark. 1946 he was working at the Amunitions Plant in Ark.

1945 they were living at Woden, TX, just outside Nacagdoches Co. TX. So believe they were back in AR by 1946 If his is true they would have been in Ar when they adopted their daughter Bettie Lee Matthews in 1937 when she was 8 yrs old.

1900 Bessie should be in home of parents at age 3 but haven't found parents.

1910 Bessie age 13 dau in home of parents in Adair Co. MO, Walnut Twp pg 2 22 Apr.

Notes	
CHILD 1 - Bettie Lee (Matthews) Runnels Info from Bettie Purifoy 17 Nov 1986 when we visited her in AR. Bettie came to the motel that afternoon and drove me to the cemetery outside Camden called Bethesda. There is also a church there. Lynns parents are also buried there next to her parents and Bettie and Lynn have their plots there also. It is a real pretty setting, with Pine trees all around the cemetery. The area is heavily populated with pine trees, in town and out. Bettie said she was adopted by E.G. and Bessie in 1937. She was Bettie Lee Matthews when adopted age 8. I didn't ask where and she didn't say. However she did say she did not know where she was born. Relatives from the Matthews family contacted her this summer (1986)as they were doing research and told her the fathers name. She is now in the process of getting a birth certificate for Social Security. Bettie likes to go to flea markets and antique hunting. They have a trailer which they go camping quite a lot. Lynn plans to retire the next year and go camping a lot. Bettie likes to quilt and sew and make craft items also. Bettie had been to Kirksville many years ago and remembers going to my Grandfather Lowes farm. She knew of others there and some had gone to Arkansas to visit them before the death of Bessie. E.G. and Bessie and Bettie and Lynn bought 49 acres of land from L.H. and Zelma Purifoy, parents of Lynn 1948 and E. G. and Bessie lived in the house and Bettie and Lynn lived in a trailer on the land. After death of Bessie Bettie and Lynn moved into the house and Bettie's daughter now lives in the trailer. The land is on what is now Rte 376 south of Camden, AR, between hiways 4 and 79. Her marriage licence recorded Camden, Quachita Co. AR. Book UU pg 23 and was dated 21 Feb 1946 (Bettie told me 1945- 46 is prob. right) Find A Grave internet site listed Bettie Lee Runnels Purifoy, birth and death, cemetery and obit. 17 Nov 1986 Camden Arkansas Personal Interview with Bettie Purifoy

Bettie Mathews was adopted by E.G. Runnels and Nellie Bessie Lowe Runnels in 1937. I didn't ask where and she didn't say. However she did say she did not know where she was born. Relatives from the Mathews family contacted her this summer as they were doing research and told her the fathers name. She is in the process now of getting a birth certificate for Social Security.

E.G. Runnels was in California and called Nellie Bessie to come there to get married and don't know when or where that was. They were in California for quite a while and then Texas and Arkansas. Maybe other places as well. He was working for the amunitions plant in Camden and Bettie got married there in 1946 so they decided to make there home there. They bought 49 acres of land from L.H. Purifoy and wife Zelma 25 Feb 1948, along with Lynn and Bettie for \$1,100.00. The land had belonged to Lynn's parents. Lynn and Bettie lived in a trailer next to them until E.G. and Nellie died and then they moved into the house and Janie, their daughter lives in the trailer now. The land is on what is now Rte 376 south of Camden, Ark., between hiways 4 and 79.

Bettie likes to go to flea markets and antique hunting. They have a trailer which they go camping quite a lot. Lynn is Manager of the Coke plant in Camden and has been there many years. Plans to retire next year and go camping a lot. He was in service and in the Army in Korea just after they were married 6 months. He also likes to do woodworking and makes things out of wood.

Bettie likes to quilt and sew and make craft items also.

E.G. Runnels and Nellie Bessie Lowe Runnels is buried in a little cemetery outside Camden called Bethesda. There is also a church there. Lynn's parents are buried there next to them and they have their plot also next to E.G. and Nellie Bessie. It is in a real pretty setting, with Pine trees all around the cemetery. The area is heavily populated with pine trees, in town and out. Arkansas 17 Nov 1986

Bettie came the afternoon we were there and drove me to the cemetery and we stopped at a couple antique shops and had a very nice visit. She is very personable. She reminded me of my Aunt Lea and there isn't a relationship. Bettie had been to Kirksville many years ago and remembers going to my Grandfather Lowes house. She knew of others there and some had gone to Arkansas to visit them.

Sorry to hear about your parents. The death cert. for Delbert Mae Lowe does say he died of uremia due to something but can't make out for sure. He died 25 Nov 1945

There are just a lot of women dying from breast cancer and is really too bad. I have been cancer free for 11 years but mine was caught early and only had to have lumpetomy with 25 days radiation.

I'm doubting this lady would be connected to our Lowes but could be connected way back somewhere in several generations back. Names are not familier.

Subject: Re: Lowe family

Hi Debi,

Nice to hear from another cousin. I believe I had corresponded with your father back in 1988 as that is the last update I have on your family and your mother back in 1973. I have some info on you and your brother but not since 1988. Would be happy to receive any updated info on Dwain's family.

I have done a lot more since then on our Lowes but still haven't gotten any farther than William Lowe who md Jane Gore in 1811 in Rockbridge Co. VA. 2 other cousins and myself have been looking since 1969 for that rascal's parents and yet to find a clue.

There is a web site that Bill Bailey has on DNA testing for direct male Lowe's but so far we don't match to any that has been done. He also has an e-mail address and maybe can tell you something as he has done a lot on Lowe's as well. Rootsweb worldconnect site on internet also has lots of Lowe info, not all of it is correct for our Lowes but some maybe. You would not believe how many Lowe's are out there until you start researching them. When I first started back in 1969 I thought it was a very uncommon name and wouldn't have a problem but every where I looked there were Lowes so wasn't as easy as I thought.

bbailey.lowedna@baileyconnection.com will get Bill Bailey and that maybe a good start.

So glad to hear from you and if can be of any help, let me know.

Gladys

Birth: Jul. 10, 1898
 Death: Sep. 13, 1978

Reva was the daughter of Jacob and Eva Shafer. She first married Luther Hays and they moved to South Dakota. They were the parents of three children, Perry, Uda, and Norman. After their son Norman's death, Luther went missing for several years so she divorced him. She then married Delbert Mae Lowe in the Kirksville area, and they were the parents of a son, Delbert Dwain Lowe, and then they also divorced. Reva put herself through nursing school by cooking for the Travelers Hotel in Kirksville. She moved to San Francisco, California in the early 1940's and was a nurse for the health department there. In the early 1960's she returned to Missouri, and lived near her youngest son in Brookfield, Missouri. She was an avid gardener, and shared that love and the fruits of her labor with anyone who would come for a visit. She was a wonderful chef, and her specialties were rosemary roasted chicken, caramel sticky buns and homemade donuts with sherry wine. She shared her life on the little farm on the outskirts of Brookfield with an intelligent and loving terrier, Tootsie.

Birth: May 18, 1921
Death: Jan. 26, 1926

Norman was the son of Luther and Reva (Shafer) Hays. He was born in South Dakota. As a toddler he put his little hand on the stove and burned it badly, so he always had his hand in his pocket. He died from pneumonia in South Dakota and his parents transported his little body back to Missouri by train for burial. The family, including his older brother Perry and sister Uda, stayed in Missouri after little Norman's death.

Birth: Jul. 10, 1898
Death: Sep. 13, 1978

Reva was the daughter of Jacob and Eva Shafer. She first married Luther Hays and they moved to South Dakota. They were the parents of three children, Perry, Uda, and Norman. After their son Norman's death, Luther went missing for several years so she divorced him. She then married Delbert Mae Lowe in the Kirksville area, and they were the parents of a son, Delbert Dwain Lowe, and then they also divorced. Reva put herself through nursing school by cooking for the Travelers Hotel in Kirksville. She moved to San Francisco, California in the early 1940's and was a nurse for the health department there. In the early 1960's she returned to Missouri, and lived near her youngest son in Brookfield, Missouri. She was an avid gardener, and shared that love and the fruits of her labor with anyone who would come for a visit. She was a wonderful chef, and her specialties were rosemary roasted chicken, caramel sticky buns and homemade donuts made with sherry wine. She shared her life on the little farm on the outskirts of Brookfield with an intelligent and loving terrier, Tootsie.

Arthur Lee Sutton was born January 10, 1876 to Anniva James Baker and James W. Bradley. When he was three his mother married Samuel Sutton, whose last name he was given. Arthur learned to play the violin and harmonica as a boy, and as a young man, with his harmonica attached to his 'fiddle', he played for many dances. I found the Russell DNA patriarch list online here (<http://www.worldfamilies.net/surnames/russell/pats>). It looks like there is nothing on either Barnabas Russell (b.1734) who I thought might be Winslow's father, or James Russell who married Mary White. It wouldn't really do any good to have a Russell "cousin" do the DNA testing anyway if there is no patriarch DNA to compare it to. I've found a few people with Barnabas Russell (b.1734) in their tree who say he died in 1775. I have never been able to find out why they think he died then. If that Barnabas did die in 1775 then he couldn't be Winslow Russell's father because Winslow mentions living with his parents when he was 17 or 18 (in the book).

I was wondering about the Lowe DNA project. I had mentioned to my brother that he should have the test done, since he's a direct male Lowe. If someone else who's also a direct Lowe from William has had the test and it didn't give any good results, then I'm guessing it wouldn't

I got your e-mail asking who the people in the photos were. I'm trying to get them all figured out. I had posted the photo of the ladies on Facebook a while back and yesterday I asked my cousin Larry's wife if he knew who they all were. Here's her reply:

Back row: Ellen, Marie Berry, Fran, Delores, unknown, Aunt Bessie, unknown, Blanche Greenstreet

Front row: Betty, Aunt Maude, unknown, Doris Berry

Per Larry.

So I'm clarifying who the people Larry said they were:

Back Row:

So Ellen was my mom, Ellen Sutton Lowe.

Marie Berry was Azle Berry's wife (her name was Mary but they called her Marie).

Fran was my Uncle Lawrence's second wife. They were both married and ran off together to Washington and eventually married. I think she was a Carter or was married to one. Perhaps you knew that Lawrence was found living in Clarkston, Washington.

Aunt Delores in the back row is the one with her hand on Aunt Maude's arm.

Larry said "unknown" for the next lady, but I believe it's Aunt Bessie's daughter Bettie Lee Runnels Purifoy. I am friends with Bettie's daughter Janie on Facebook. She had a photo of her mom (Bettie) when she was around 16 and I'm pretty sure that it's her... like 99%.

Aunt Bessie (the one in the white flowered dress with the black sweater) is Nellie Bessie Lowe Runnels.

I don't know who the unknown lady peeking through is either.

I have no idea who Blanche Greenstreet might be.

Betty was Uncle Lawrence's first wife.

Aunt Maude was my Grandpa Delbert's half-sister Maude Talbert Keim.

I believe the lady with the purse (another one Larry didn't remember) is the lady we knew as Aunt Kate. She was Anna Lowe Morrow's daughter Katherine Morrow Fox. I'm not totally sure, but my dad was around her enough that he named one of our

English pointer bird dogs Kate after her. 😊

Doris Berry was married to Greydon Berry (Aunt Mahala's son). Mahala was another one of Grandpa Delbert's half-sisters.

Yesterday after I was looking at the photo of the Lowe Ladies, I started wondering again about Anna Lowe Morrow's daughter, the one my family knew as "Aunt Kate" (Kathryn Morrow Fox, the daughter of Anna Lowe and Alvaro Tupper Morrow). I was googling her son's name and found him in the family tree of one of my friends and classmates, Paul Ingold. In the family book you typed for my dad in 1985 it says that Russell Merrill Fox married Evelyn Ingo. She was actually Evelyn Ingold, the first cousin of my friend. Evelyn was the daughter of Merrill and Evelyn (Benda) Ingold. This morning my friend told me that Evelyn (Ingold) Fox Glasgow is still alive and lives in Edina. Her daughter Dixie Stribling lives in Kirksville. I'm going to try and contact them to see if they have any photos of Katherine Fox or if they might have an old photo of MariahLowe. I keep thinking that since Mariah lived with Anna when she died, one of Anna's children might have had a photo of her. It's possible that one of their descendants still has an old photo of Mariah.

I don't know if you have found the info about Evelyn's maiden name being Ingold between the time the book was put together and now, but if not I thought you might like to have it. Perhaps it was just a misprint in my book.
